There are fourteen separate golf training modules being offered over four separate days, with science-based, practical and interactive sessions to share information, help us understand your current issues and answer any queries you may have.

There are a limited number of spaces for each day to ensure each delegate receives quality and individual attention throughout the training, improving your knowledge and keeping you up-to-date with the latest maintenance techniques for managing your golf course.

You can attend one or more of the training days to suit your needs.
