Advanced Apprenticeship Level 3 Work-Based Diploma in Horticulture (Sports Turf – Greenkeeper)

This course is designed for those with some previous experience of horticulture and wanting to work in an outdoor job combining knowledge and practical work with employment experience. Based in the golf industry, the course reflects the skills and knowledge needed to pursue a career in Sports Turf.

This is a work-based course and will include at least 20% 'off-the-job' training. Off-the-job training is defined as learning which is undertaken outside of the normal day to-day working environment and leads towards the achievement of your apprenticeship. This can include:

- The teaching of theory (for example: lectures, role playing, simulation exercises, online learning or manufacturer training),
- Practical training: shadowing, mentoring, industry visits and attendance at competitions,
- Learning support and time spent writing assessments/assignment

Mandatory Units

- Promote, monitor and maintain health, safety and security of the workplace
- Estimate and programme resources requirements for landscaping
- Manage your own resources
- Set and mark out landscape sites to establish grassed and planted areas
- Evaluate ground and environmental conditions to establish grassed and planted areas
- Prepare sites for soft landscape establishment
- Establish grass swards
- Plan the maintenance, repair and renovation of sports turf areas
- Plan and set out sports areas

- Maintain drainage systems
- Maintain irrigation systems
- Manage information for action

FAQs

How can I apply?

You can either call us on 01332 794910 Option 1, click on the 'Enquire Now' tab on our web page above or click the following link :

<http://www.darttraining.co.uk/apprenticeship-enquiry.html>

Can I apply at any time?

Yes, you can apply at any time throughout the year.

Will I need to go to College?

No, DART Training's courses are work-based so you will learn 'on-the-job' with visits from your assessor.

As an apprentice, you must receive off-the-job training for a minimum of 20% of the time that you are paid to work, some of which will involve visits to other locations to learn in a group environment. This off-the-job training will teach new knowledge, skills that will contribute to the successful achievement of your apprenticeship.
